

Happy Halloween

HALLOWEEN BUDDIES BY STITCH PEOPLE

Complete these spook-tacular characters to hang in your home, or give as a gift! The finished project will fit cozily in a 5x7 frame opening. Choose your favorite colors to match the pattern. Increase color contrast by using an oatmeal/natural colored Aida fabric. Don't forget to add the contrasting details like brightly colored lips, dark scars, makeup, and French knots for curly hair (or the Witch's wart!)
